An immature Christian will ask, “Will I go to church on Sunday?” while a mature disciple will ask, “Who will I bring with me to hear God’s Word and meet God’s people?” Which question are you asking?

The Week that Changed the World

A new message series on the events of Holy Week and how they can change our lives today

March 9 – April 20

The Lenten season is a time to remember the events of the final days of Jesus’ earthly ministry, leading to His death and resurrection. Beginning March 9, we will take a journey through Jesus’s final week and see how each of these events has a message that can guide us in following Jesus today. Be present in March and April as we walk through **“The Week that Changed the World.”**

Your thoughts can make your life a prison or a sanctuary. Our Christian faith offers us help in reshaping our thinking so we can live more abundantly. Tuesdays at 10 a.m. beginning March 11, Pastor Dee will lead a study that will help us recognize thoughts that harm us and teach us to think in new, more life-giving ways. Join us for **“What Do You Think?”**

Valentine's celebration with the homebound was fun. The children made cards to add to the heart candy that was delivered to all. Dr. Vaughan was able to join us in visiting. His guitar playing and singing was deeply appreciated. Our hearts were warmed to see and hear our shut ins sing along with him.
